DETAILED ACTION

1. In view of the appeal brief filed on 9/9/03, PROSECUTION IS HEREBY REOPENED.

An action on the merits is set forth below.

To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) request reinstatement of the appeal.

If reinstatement of the appeal is requested, such request must be accompanied by a supplemental appeal brief, but no new amendments, affidavits (37 CFR 1.130, 1.131 or 1.132) or other evidence are permitted. See 37 CFR 1.193(b)(2).

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-5 and 7-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

- a. In claim 1, line 16 "in each case" is indefinite (what are the cases from the claim).
- b. Throughout the claims, the recitation of "movable telescopes" and "stationary telescopes" is indefinite because the members as disclosed in the specification are not "telescopes". Note the dictionary definition of telescope: "an instrument for collecting and

examining electromagnetic radiation". "Guides" and "beams" may be more accurate titles for these parts

c. The claims are confusing as to what constitutes the common carrier and the stationary telescopes. The claim language would appear to suggest that these are two different parts of the invention, but in the disclosure the stationary telescopes and common carrier are the same part.

Allowable Subject Matter

4. Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

5. Claims 2-5 and 7-10 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
